About Us

The Returned Non-Resident Indians Association (RNRI) has been carrying forward its commitment towards social welfare for the past 25 years.

The organization was founded on July 4th, 1992, by a group of like-minded returned NRIs in Bengaluru, who shared a common vision and a firm commitment to make the society we live in, a better place for all.

Our national leaders like Mahatma Gandhi, Jawaharlal Nehru, Sardar Vallabhai Patel, etc. who came 'Back to Serve' our nation are the ones to inspire us in our cause. We are building a movement of inspiring leaders to encourage a social transformation in Karnataka. Staying true to the 'Back to Serve' motto, RNRI is proud to have impacted the lives of innumerable people in Karnataka and enable societies to realize their true potential.

Member's Profile

The RNRI Association comprises of professionals like doctors, IT professionals, architects, etc. who have returned to India after working in various countries abroad. No matter their backgrounds, the members have offered their resources to reach out to the underprivileged and improve their quality of life.

We are a diverse crowd, with the age group of our members ranging from early 20s to late 70s.

Events and Meetings

Ever since its inception in 1992, our association has conducted numerous meetings, social awareness programs, seminars, free medical camps, etc.

We often invite many eminent personalities from our city, which included Police Commissioners, BDA & BBMP chiefs, prominent politicians, business honchos, star cricketers, etc., to share their views and experiences on transforming our society into a better place.

We have also conducted dazzling events like 'Miss International India' fashion show, many fundraising bashes, felicitation events to recognize prominent Returned NRIs, recreational weekend activities and many cultural programs for our members.

'Back to Serve' Programs

We are striving for the purpose of human development by concentrating on the less privileged sections of the society with a sole objective of empowering and enriching their lives. We have conducted free eye surgery camps, blood donation camps and various medical camps for the poor and needy.

We have supported & adopted few schools including an orphanage outside Bengaluru that can look forward to a healthy childhood, quality education and a promising future. With our 'Back to Serve' initiative, we are committed to work together to replace their despair with hope and their ignorance with knowledge.

Future Programs

Under the “Back to Serve” initiative, education and healthcare have been the key areas of focus. This year, the Association will be undertaking projects that will help in improving the quality of life and also provide primary needs such as clean surroundings and sanitation. The problems arising due to lack of proper sanitation and provisions for appropriate waste management are real and need urgent attention. Increased awareness will bring about a change in attitudes, social values, and public behaviour.
